WHAT IS ANKARA UNIVERSITY SUMMER SCHOOL?

Ankara University Summer School is a language and cultural program intended to promote and introduce Turkish and Turkish culture to students coming from various countries and cultures. The program is intended to bring students to Turkey from various countries and encourage them to share their own languages and cultures, and also to offer them the opportunity to learn Turkish language and culture by means of Ankara University TÖMER summer school.

LEARN TURKISH IN TURKEY BY THE PRIVILEGE OF ANKARA UNIVERSITY TÖMER...

Thanks to the distinguished TÖMER staff and high-quality education content, the youth will learn Turkish by experiencing it themselves, will get the chance to practice it in various occasions such as shopping, restaurants, chatting with friends, etc, and will be an active participant of natural Turkish and Turkish culture environment. Besides a highly comprehensive yet enjoyable language learning experience, the students will be offered touristic and cultural excursions.

At the end of the program, students will be given a participation certificate featuring the courses they have taken within the scope of Ankara University TÖMER Turkish summer school.
